

# SOFEX 2022

31 OCTOBER – 03 NOVEMBER

THE AQABA GATE AVIATION

KING HUSSEIN INTERNATIONAL AIRPORT

The Special Operations Forces Exhibition and Conference - SOFEX Jordan is the world's preeminent exhibition and conference that will be held at the Aqaba Gate Aviation, King Hussein International Airport between 31 October until 03 November 2022. The thirteenth edition of SOFEX will be the leading forum for international industry professionals, decision makers and technology innovators from across the world to connect and dialogue and shed a light on the latest and most ground-breaking technology, making way for trade opportunities between the supply chain and the high level delegations on the ground of the exhibition. SOFEX will introduce Naval, Maritime and Coastal Security. On-Water exhibit space on Aqaba's Marina offers exhibitors a unique opportunity to present the latest developments and technologies in ships, small crafts, and showcase equipment and services.

## The Latest and Most Advanced Technologies

SOFEX serves not just as a platform for open direct dialogue between the Defence and Homeland Security industry, military officials, government decision makers and experts, but also as an opportunity for SMEs and the world's leading Defence, Special Operations and Homeland Security manufacturers and solution providers to exhibit and demonstrate their latest achievements, most advanced technologies and state-of-the-art innovations.

## Networking for Global Security

The SOFEX Conference and Exhibition are a great occasion to spark motivation and inspire Heads of State, Defence Ministers, Chiefs of Armed Forces, Air and Navy Forces, Special Operations Commanders, Counter Terrorism and Homeland Security decision makers and experts, including officials from various security agencies to expand capacity in order to address current and future challenges, place strategies in a global context and position forces for high performance. Gathering this impressive group under one roof, the conference sets the stage for mutual cooperation with the objective of building bridges of understanding and knowledge-sharing to stay ahead of future threats to maintain global peace and security.

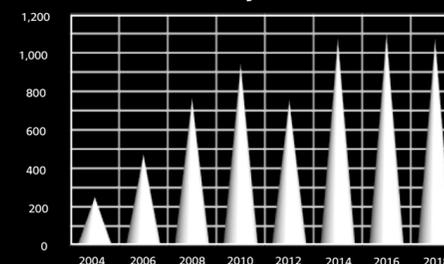

## A Story of Growth

- Since 1996, SOFEX is held biennially under the patronage of His Majesty King Abdullah II, and the full support of the Jordan Armed Forces – Arab Army, the King Abdullah II Special Forces Group, as well as the Jordanian Security Agencies in Aqaba, Jordan.
- The most significant global conference and exhibition dedicated solely to the Special Operations Forces and Homeland Security for the advancement of technologies and solutions sustaining global peace.
- A world-class platform showcasing the latest fully-integrated and innovative technologies, equipment and services.
- Optimum conference gathering leading Special Operations, Counter Terrorism and Homeland Security experts and professionals to share experiences and discuss the latest challenges facing global security.
- The Exhibition attracts hundreds of Special Operations Forces and Homeland Security exhibitors, including small and medium sized companies, in addition to major international defence and security manufacturers.
- Live demonstration showcasing the advanced ground mobility vehicles, combat helicopters and live-fire demonstration documenting the readiness of the special operations forces in combat.
- An ideal opportunity to network with high ranking military delegations, senior government officials and decision makers responsible for the security of their citizens.
- Extensive global coverage by specialized defence and trade media representatives.
- Recognized as one of the world's leading exhibition organisers by UFI – The Global Association of the Exhibition Industry.

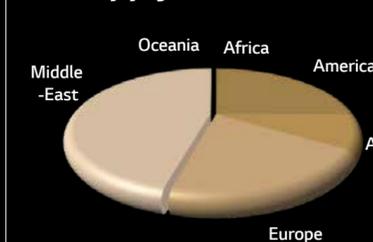

## Sponsors Support

The constant support from both local and international sponsors is a high-powered enabler in SOFEX's continued success to serve a unique purpose, providing impressive evidence of the paramount importance of SOFEX on the global defence industry calendar. SOFEX is the ideal platform to be recognised by decision makers, military leaders, diplomats, innovators and industry representatives.
