WELCOME TO THE 2023 AUSA WARFIGHTER SUMMIT & EXPOSITION!
A Professional Development Forum

On behalf of all of us at the Association of the United States Army, welcome back to our Warfighter Summit & Exposition! I can’t tell you how excited we are to be in Fayetteville for this important professional development defense forum.

The AUSA Warfighter Summit focuses on the Army’s most valued resource: The Soldier. Our event brings together Soldiers, Army Civilians, Retirees, Veterans, academia and defense industry professionals to showcase technology that directly supports the Warfighter. This important event also offers unparalleled networking opportunities and brings key decision-makers together in a collaborative environment.

We have a tremendous program planned and encourage you to take advantage of everything our event has to offer. There are more than 50 exhibitors highlighting the latest products, services and state-of-the-art technologies for our Warfighters so please be sure to visit with them.

This Show Guide is a great resource for your use. It includes detailed information about this year’s event, as well as a full listing of exhibitors and sponsors that we thank for participating with us.

I hope you have a very busy and productive event. We look forward to connecting with you.

Robert B. Brown
General, U.S. Army Retired
President & CEO

AUSA INDUSTRY PARTNERS
Dear Friends:

As Governor of North Carolina, I am proud to welcome you to the Association of the United States Army’s AUSA Warfighter Summit & Exposition, “America’s Army: Ready for Today, Modernizing for 2030 and Beyond.” I know this is an exciting event for everyone.

We, as citizens of the United States, owe a debt of gratitude to the men and women in our armed forces who serve with honor and dignity to protect the freedoms which we hold so dear. I appreciate your efforts to offer educational and professional support to these soldiers.

My best wishes for a very successful event which I know will provide you with an opportunity to learn, to grow and to form strong bonds with your fellow Army service members. We are delighted to have you here in North Carolina.

With warm personal regards, I am

Very truly yours,

Roy Cooper

AH-64 Apache and MH-6M
Don't miss the Army's aircraft located outside!

AH-64 Apache
The AH-64 Apache is a twin-turboshaft attack helicopter with a tailwheel-type landing gear arrangement and a tandem cockpit for a crew of two. It features a nose-mounted sensor suite for target acquisition and night vision systems. It is armed with a M230 chain gun carried between the main landing gear, and four hardpoints mounted on stub-wing pylons for carrying armament and stores.

MH-6M
The MH-6M mission is to rapidly deploy as a part of a Special Operations Task Force to conduct attacks against pre-planned targets, close-air support, precision air assault, reconnaissance, infiltration, and exfiltration operations worldwide. Execute TOT +/- 30 seconds. Reconfigurable from an MH-6 mission to an AH-6.

U.S. Army Special Operations Trailer - Exhibit Hall
U.S. Army Special Operations Semi located in the back of the exhibit hall!
This immersive display includes:
- Parachute Simulator
- Oculus Rift VR System
- Augmented Reality Sand Table
- AH-6 Flight Simulator
- Soldier & Weapon Displays and much more!

ODYD began at Fort Bliss, TX in late 2015, when founders Renee Chapman, Ronya Rendon, Yvonne Coombes, Liz McKenrick and Melissa Riely decided to organize a dress swap among their units’ spouses, as a way to defray the costs associated with purchasing formalwear for military balls. They were fortunate to receive national media attention and the response from the American public was incredible. Over the last 7 years, ODYD has deployed over 20,000 gowns from 13 locations around the country.
